8. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. Your attention is drawn to the additional information set out in the appendices to this circular.

Yours faithfully,

G-Resources Group Limited
Leung Oi Kin
Executive Director and Company Secretary

This following explanatory statement contains particulars required pursuant to Rule 10.06 of the Listing Rules to be given to the Shareholders relating to the resolution to be proposed at the AGM authorising the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their fully paid-up shares on the Stock Exchange subject to that all on-market shares repurchased by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution which has been passed at a general meeting of such company duly convened and held, either by way of specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such repurchases.

The Company is empowered by its memorandum of association and Bye-laws to repurchase its own Shares.

2. THE REPURCHASE MANDATE

It is proposed that up to 10% of the total number of issued Share as at the date of approval of the Repurchase Mandate may be repurchased. As at the Latest Practicable Date, the total number of issued Shares was 450,814,079.

Subject to the passing of the Ordinary Resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Directors would be authorised to repurchase up to a maximum of 45,081,407 Shares, representing 10% of the total number of issued Shares as at the date of passing of the resolution granting the Repurchase Mandate, during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable laws of Bermuda to be held; or (iii) the revocation or variation of such authority by an ordinary resolution of the Shareholders in general meeting, whichever the earliest.

3. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares, but consider that the proposed Repurchase Mandate is in the best interests of the Company and its Shareholders as a whole. Exercise of the Repurchase Mandate may, depending on the market conditions and funding arrangements at the material time, result in an increase in net asset value per share and/or earnings per share of the Company. The Directors are seeking the grant of the Repurchase Mandate to give

the Company the flexibility to do so if and when appropriate. The number(s) and class(es) of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

4. IMPACT OF REPURCHASE

As compared with the financial position of the Company as at 31 December 2023 (being the date to which the latest published audited financial statements of the Company have been made up), the Directors consider that there may be a material adverse impact on the working capital and the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period. The Directors confirm that no repurchase would be made to such extent as would have a material adverse impact on the working capital or gearing position of the Company.

5. FUNDING OF REPURCHASES

Repurchases may be made out of funds which are legally available for such purpose in accordance with the memorandum of association of the Company, the Bye-laws and the laws of Bermuda. It is envisaged that the funds required for any repurchases would be funded entirely from the Company's available cash flow or working capital facilities which will be funded legally available for such purpose.

6. DIRECTORS' UNDERTAKING AND CORE CONNECTED PERSONS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda, the regulations as set out in the memorandum of association and Bye-laws.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell any Shares to the Company nor has any such core connected person undertaken to the Company not to sell any of the Shares held by him/her to the Company, in the event that the Repurchase Mandate is granted by the Shareholders.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, have any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

7. EFFECT OF TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company will increase which could give rise to an obligation of a shareholder or a group of shareholders acting in concert (with the meaning under the Takeovers Code) to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge of the Directors, the following Shareholders are interested in 5% or more of the issued Shares as recorded in the register of interests in shares and short positions of the Company under Section 336(1) of Part XV of the SFO:

Name of Shareholders	Nature of interest	Number of Shares (Note 1)	Approximate percentage of shareholding as at the Latest Practicable Date	Approximate percentage of shareholding if the Company exercises in full the power to repurchase

In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate and assuming that the Company does not issue any new Shares (whether pursuant to the Issue Mandate or otherwise), the respective percentage shareholding of the above substantial Shareholders would be increased to the approximate percentage as shown in the right column above. Such increase will give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code, and the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Mandate.

8. SHARE REPURCHASES MADE BY THE COMPANY
